“ I fell in love with Nelson Gables. I get to go to exercise classes, activities, and can interact with all the different groups of Christians. Living here is like living at Disneyland, living at the Ritz. If you are going to have to grow old, you may as well do it here. ”

“ While circumstances had me moving from my home state of Kansas to my new state of Minnesota, I had anxiety about what to expect. After moving to the Gables, I had all of my concerns of starting a new life answered. With the kindness and help of the staff, I settled into a comfortable life style. I like to have a feeling of independence and the Gables provides that. But also knowing that help is there at all times is what I call a bonus! I have peace of mind and I found a wonderful home! ”
