Grand Arbor

by KNUTE NELSON

Grand Arbor draws on the strength of the Alexandria area to foster a rich quality of life for its residents. With access to a centrally located town center and other Knute Nelson living communities and care options, you gain peace of mind knowing a complete family of services is just a step away.

Housing Choices

The Lakes Senior Apartments

Included are one and two bedroom apartments, with or without dens, ranging from 700 to over 1500 square feet. These spacious apartments boast bright, open floor plans with a host of features and amenities.

The Prairie Assisted Living

Clustered in an appealing neighborhood setting of 15 apartments with community living and dining areas. The Prairie features studio and one bedroom apartments ranging from 355 to 613 square feet. The Prairie will also include a high level of professional health and wellness services. Fees include three meals daily, weekly housekeeping, 24-hour on site resident assistant staff and access to town center amenities, programs and more!

The Meadow Enhanced Assisted Living

When a high level of around the clock care is needed, enjoy the freedom of 24-hour licensed nursing care with services such as mechanical lift transferring and complex medication management. Benefit from supportive services like dining, housekeeping, personal assistance and daily activities all within an intimate neighborhood setting.

The Garden Memory Care Assisted Living

Features individual and shared suites with private bathrooms. Residents can enjoy the company of others in a common great room with fireplace, dining room, living room and lounge, as well as specialized life enrichment programming tailored to the unique needs of our residents facing challenges related to Alzheimer's and dementia.

Town Center

The town center at Grand Arbor is the hub of community life. A wealth of activities and special interests can be found close to home, while a broad range of amenities offer comfort and convenience.
